

Part 1 of our Bountiful Bubbles Newsletter showcases wines from regions **other** than Champagne. Stay tuned for Part 2, which will exclusively feature Champagnes.

We hope everyone is enjoying their holidays. Cheers and good vibes to all as we get ready to enter 2023!

Mas Fi Cava Brut \$10.50

Whether it's a party toast for everyone to ring in the New Years, or you're mixing it with some OJ for some brunching, possibly a bit of both, we haven't found anything that beats the price for quality ratio here. Very dry with easy, happy bubbles. Buy a case for \$99, normally \$126 and save 21%

Juve & Camps Cava Brut Nature 2017 \$18.50

This Cava is bone dry and once considered the official Cava of the royal family of Spain. More body and finesse and complexity than the Mas Fi, yet still a fantastic value at \$18.50, even better buy 6 or more for \$16.50.

**Domaine Jean Vullien & Fils
Cremant de Savoie Brut NV \$20**

Coming from the French Alps, this is a blend of Chardonnay, Altesse, and Jacquere. Dry, but with a little more of those brioche notes than your typical Cremant. Crowd pleasing across many palates, this is one of our best selling sparklers.

**Allimant Laugner Cremant d'Alsace Rose NV
\$25, Magnums also available: \$50**

Year after year, this is a customer favorite. Made from Pinot Noir and exhibiting fine raspberry moussey bubbles, with out being too fruity or too tart.

**La Staffa Pet Nat of Verdicchio 'Mai Sentito'
\$22.50**

While Pet Nats can range in style, this one is a clean, dry and fresh version that leaves you begging for a second glass. Great as an aperitif or with hors d'oeuvres, covers you with geeky friends, without being too funky so all can enjoy.

Particella 232 Sorelle Bronca Extra Brut \$35

Super-fine mousse. Perfumed, floral nose, with violets and wild herbs. Citrus attack rounding out with ripe stone fruit. Organic certified.

"Simply one of the most finely detailed, sophisticated examples of Prosecco on the market."

—David Lynch, Sommelier

**Grosjean 'Montmary' Extra Brut Rose
(disgorged 2022) \$34**

The Grosjean family traces its roots back to the village of Fornet in the high mountain passes of the **Valle d'Aosta**. This wine has aromatics right out of an alpine summer - sweet grass, summer roses, and wet creek stones. The palate shines with a structured acidity reminiscent of almost ripe strawberries, with a lees-driven streak that provides a buttered biscuit finish. Pinot Noir, Gamay, and Chardonnay make up the blend.

Von Winning Riesling Extra Brut Sekt \$34

White fruit flavors, crisp, crunchy fleshy fruit aromas, fully ripe. With air the wine gains complexity, leaning towards nectarine and crisp cox-orange apple with a nice dose of salinity in the long finish.
