

Renegade Wines 4th Annual Winter Sale

Sale Wines are 20-60% off our everyday low prices!

-

Every January we have our famous winter sale where we offer many of our wines at up to a 60% savings

Why? In many cases we have purchased the remaining inventory from the winery (Arcadian, Jalama, La Fenetre to name a few) and are passing along the tremendous savings to you. Other wines we need to move out to make room for their next vintage which will be arriving soon.

Either way, this is a once-a-year event that should not be missed! Call or e-mail us your order as soon as possible as wines sell out quickly.

Thank You, and Happy New Year!

(Only wines in store are on sale. All wines are limited so order quickly. No further discounts apply.)

Robert Parker: "The 2004 Pinot Noir Pisoni Vineyard is the finest offering I have yet tasted from this winery...exhibits beautiful notes of forest floor, flowers, black cherries, and black currants. Broad and savory with excellent balance, good acidity, and sweet tannin in the long finish."
